2016 Vendor Contract

The relationship between Inland Empire Professional Photographers and Videographers (herein referred to as IEPPV) and its Vendor Partners is important to the growth and stability of IEPPV. It is the goal of IEPPV to provide as much exposure and promotion to its Vendor Partners as possible without diluting the IEPPV member experience or educational programs.

Vendors are partners with IEPPV and as such agree to assist and promote IEPPV in a way that will benefit both the Vendor Partners, IEPPV and its members.

A Vendor Partner is entitled to the following:

- Inclusion on the Vendor Partners page of the website.
    - Includes links to vendors website, contact info, specials, promos, bios and other info as deemed appropriate by the board for the promotion of Vendor Partners.
    - If regular updates need to be made for regular specials please contact the IEPPV webmaster to make these arrangements.
- Inclusion in IEPPV weekly E-mails
    - Emails will not include promotions or flyers. Emails will "Highlight" vendors and refer to the website for more detailed information.
- Inclusion in the IEPPV “InSync” Newsletter
- Vendor Partners may not possess the IEPPV members list. However IEPPV will make every effort through our emails, website, Facebook page, events and general meetings to promote it’s Vendor Partners.
- Allow each Vendor Partner a brief time on the microphone at the monthly general meeting as time allows.
- Vendor Partners may have a table for promotional material at general meetings and some events (as approved by the board).
    - Please see the IEPPV vendor liaison for each event

- One (1) Pro Premium Membership is included with a vendor membership. The cost of a Vendor Membership is equal to the cost of a Pro Premium Member and this entitles the representative of the participating vendor to the same benefits as a Pro Premium Member.

No vendor programs shall be promoted that directly competes with IEPPV’s events and programs, or may otherwise dilute the IEPPV experience.
Example: Promoting an upcoming event/workshop within close time and or proximity to that of an IEPPV event/workshop that is similar in nature. Such promotion may dilute the IEPPV program and that of the vendor, and may not be openly promoted without prior board knowledge and approval.

All of the above is subject to review and enforcement by the IEPPV Board of Directors.
Vendor Partner membership is subject to IEPPV Board Approval. All board decisions will be final.

All Vendor Partner Memberships will expire at the end of the calendar year.
