IEPPV will provide participants with support, encouragement and structure to accelerate their education in the business and art of photography. Upon completion of the program, IEPPV will honor participants with a certificate; however the training, skills and experience developed during the program are the true rewards. An IEPPV Premium membership is the only required cost for this program.

Goals (Mission Statement):

The goal of the SPA Program is to define and shape the professional standards, ethics and education of those desiring to be professional photographers, or to those seeking to broaden their photographic knowledge by providing an atmosphere of learning. We will provide this through educational and informational classes, in-the-field workshops, service to IEPPV, print competition, forums and professional affiliations. Any Premium IEPPV member in good standing with a desire and commitment to learn may participate in the SPA program.

Required reading:

* IEPPV Code of Ethics

* Image Competition Rules (See IEPPV.com)

Moving Forward:

It is our strongest desire that the completion of this program is only the beginning of a lifelong journey of learning. We hope participants will “forever seek knowledge”. We encourage you to become a Certified Professional Photographer (CPP) through the Professional Photographers of America (PPA) and the Professional Photographers of California (PPC). We also encourage you to seek the degree of “Master Photographer” through the PPA program.

* This program is administered by the Education Committee of IEPPV under the direction of the board. All applicable IEPPV rules apply. No guarantees are intended. In the event of any dispute the ruling of the board is final. All participants are required to keep a log documenting all of their participation dates.
