3. Tracking and Awarding of Service Merits:

a. Reporting Service Award Merits earned will be a cooperative effort of the leadership of IEPPV and the individual members.

1. The various Chairs and committee members are responsible to report the attendance and participation of members at committee meetings, general meetings, classes, etc to the appropriate chair person in charge of tracking and calculating merits in the format they choose.

2. The individual member is ultimately responsible for ensuring that he/she is awarded the merits that they are entitled. Each member should (1) ensure that they sign in at events that they attend and (2) maintain their own log of events or activities that would entitle a merit. At least once annually, a list of their merits earned that year will be provided to each member by the Awards Committee. The individual members should review that list against their log and identify to the Awards Chair any discrepancy using the IEPPV Service Merit Submission Form contained in this Standing Rules document.
  3. Officers, Committee Chairs, and Committee Members are eligible for per-event merits, such as speaker, host, moderator, etc. even for events related to their roles. However they are ineligible for coordinator or assistant merits for participation in a meeting where their participation would be considered a normal part of their role or office.
  4. All members are eligible for applicable meeting or event attendance merits for any meeting or event they attend in addition to any other per event merits they may be entitled to.
  5. Members who create, participate in, or view in real time webinars, web events, or web meetings created by or on behalf of IEPPV are entitled to the applicable per-event merits. Viewing a recording of a previous event does not qualify for an event merit.
- b. Service Award Merit record-keeping will be the responsibility of the IEPPV Awards Chair, who will ensure the preparation of Awards, Medallions, Bars and Certificates to be presented at each year's Awards Banquet.
  - c. Merit related awards will be based upon merits earned on a period from December to November rather than on the calendar year.
- 4 The Elmer and Vera Kingham Service Award
- a. The Service Awards Chairperson will obtain from other Chairpersons, Officers and Directors lists of those members who attend official functions, contribute or perform any service for IEPPV in accordance with the schedule of Service Merits above. The chairperson will record these Service Merits and tabulate them periodically, with a final annual tally at the end of November. The member who is not a member of the Board of Directors with the highest number of Merits **may** receive the Elmer and Vera Kingham Service Award **as agreed upon by the board**.
5. The IEPPV Service Award Medallion

The IEPPV Service Award is designed to recognize members for dedication to furthering the aims of the organization. The Award consists of the Service Medallion, which may be worn at all photographic functions, and the Service Award Certificate, which can be displayed prominently in studio or office. The Service Award is achieved by earning Service Merits for specific actions as detailed above, and is

presented at the annual IEPPV Awards Banquet to any member(s) having completed the requirements for the Award in the preceding twelve months.

#### Requirements for the Service Award Medallion

- a. A recipient of the Award must have been an IEPPV member in good standing at least three continuous years prior to receiving it.
- b. One hundred (100) Service Merits are required for the Award, earned as listed above in the Schedule of Merits.
- c. After receipt of the initial Award, each additional one hundred (100) Service Merits earned will entitle the member to receive a Service Bar to be worn with the Service Medallion and an additional Service Award Certificate to honor the continued dedication to IEPPV.

#### 6. The Chuck Jones Memorial Service Award

The Chuck Jones Award seeks to recognize members who epitomize the ideals of the late Chuck Jones, who died in 2006 while serving as IEPPV President. One of Chuck's highest goals for IEPPV was the advancement of professionalism among photographers through education, especially by encouraging experienced members to foster excellence among younger and less-experienced members by mentoring them.

This Award shall be given no more often than annually and only when warranted; it should not be considered an "annual" award. When, in the judgment of the President and the Board of Directors, an IEPPV member has exemplified the spirit of Chuck Jones by demonstrating sincere dedication to furthering the education and professional standing of other members over an extended period of time, that member should be considered for this Award.

#### 7. The President's Award for Exceptional Service

The President's Award is presented at the annual IEPPV Awards Banquet when, in the judgment of the outgoing IEPPV President, a member has distinguished him- or herself through service to the organization that rises above and beyond the call of duty. The serving President is not eligible for this award.

#### 8. The Hall of Fame Award

The IEPPV Hall of Fame Award is designed to honor individuals whose sustained exemplary dedication to professional photography in California's Inland Empire has inspired younger members of the profession. Not an annual award, it is to be granted only when an individual's dedication over time has risen above the customary level of excellence expected of active and involved IEPPV members. No more than two persons may be inducted into the IEPPV Hall of Fame within a calendar year.

Requirements for the Hall of Fame Award:

- a. Have attained the age of 55 by the date the award is to be presented (normally at the next Awards Banquet following nomination).
- b. Have been an IEPPV member in good standing continuously for at least ten years by the date the award is to be presented.
- c. Be nominated in writing by at least two IEPPV members, using the form below. Final award decisions require approval by a minimum 2/3 vote of the Board of Directors. At its discretion, the Board may approve the award to be presented posthumously.

The award shall take the form of:

- a. A perpetual plaque to be retained by IEPPV for display at meetings and functions and/or a virtual plaque with prominent website placement. Each succeeding awardee's name and the date of their award will be added to the plaque in turn.
- b. A medallion to be presented to the individual for wear at photographic meetings and activities. Accompanying the medallion will be a certificate suitable for framing and display.
